LIMITED WARRANTY

If we determine that an item under warranty is defective, we will replace or repair that item, at our option, free of charge, provided it is returned promptly as directed, charges prepaid. In no event shall liability under this warranty exceed the original purchase price of the furniture. No deductions for repairs in field will be allowed without specific written authorization. Damage caused by common carriers, installers, unauthorized repairs, user modification, attachments to a product, misuse, abuse, alteration or negligent use of products is not covered. If an item becomes damaged, take it out of service immediately. NO OTHER WARRANTY EXPRESSED OR IMPLIED. It is recommended that furniture inland away from salt air environments be cleaned quarterly or as needed. Furniture near coastal areas must be cleaned on a regular basis (Bi-monthly). Finish failure or material deterioration due to improper cleaning and maintenance will void this warranty. Over a few months in an outdoor environment, untreated teak will weather to a silver/gray color. It may also develop dark or orange stripes and fine cracks in the end grain of components. This is all normal, and will not affect the serviceability of your furniture. These natural characteristic of teak are not covered in our warranty. To extend the life of your teak furniture, proper care is vital.

What is not covered:

- Failure of furniture frames or welds arising from unreasonable, abusive or improper use is not covered by this warranty.
- Failure of furniture or parts caused by neglect of reasonable and necessary care and maintenance.
- Normal fading, discoloration or scratching resulting from normal wear.
- Stretching of fabric or upholstery materials resulting from normal wear.
- Upholstery with COM/COL
- Stains due to contact with tanning lotions or other chemicals including but not limited to cleaning solutions and/or pool chemicals. See care and maintenance on our website.
- Acts of nature, including fire, wind, flood and freeze damage.

For cleaning and maintenance tips, please visit our website: www.loewensteininc.com

COM

The outdoor collection can be produced in COM; however, each order where COM is required will be quoted separately and may be subject to a service charge.

DESIGNS

All dimensions are overall measurements. Dimensions and weights shown are approximate. We reserve the right to make adjustments in dimensions, design and/or construction without prior notice.

FREIGHT PROGRAM

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. point of shipment, freight prepaid and allowed, excluding fuel surcharges. Shipments to Alaska and Hawaii are freight prepaid and allowed to port of exit. Loewenstein reserves the right to select the most appropriate carrier and routing on all shipments; however, we will try to accommodate requests for your preferred carrier. Loewenstein reserves the right to implement a fuel surcharge. Orders of less than \$1000 net (\$1,300 net CAN) will be assessed a handling charge of \$200 net (\$215 net CAN) per order (this will be waived for items shipped via UPS). Any charges arising from failure to receive a shipment, rerouting while in transit, or carrier storage charges are not included in prices shown. Weekend delivery available Friday after 4:00 p.m. through Sunday night, with a \$500 charge per delivery.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond fourteen (14) calendar days after the order is ready for shipment at your request, a .067% per day (2% per month) storage charge will be assessed. The effective date will be fourteen (14) calendar days after the order is ready for shipment, as long as this date is after the acknowledged ship date. Further, the prices applied to the order will be those prices in effect at time of shipment.

EXTENDED PRODUCTION AND SHIP DATES

Orders placed with Loewenstein with extended lead times as requested by you will be subject to price in effect at time of shipment.

DAMAGED MERCHANDISE AND FREIGHT CLAIMS

1. Inspect all cartons for damage and verify carton quantity. All shipments are delivered to the transportation company in good condition; Loewenstein's liability ceases at this time. Do not refuse merchandise damaged in transit. Instead, enter a claim with the transportation company.

2. Record damages and/or shortages on the bill of lading and freight bill. Do not accept the shipment until all shortages are noted on both the bill of lading and the freight bill. Sign only for the items you receive. If you give the delivering carrier a clear receipt for a shipment, the carrier is relieved of further responsibility.

3. If concealed damage is found: Notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. Without this inspection the transportation company will not entertain a claim for loss or damage. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted the carrier, noting the time and date, and that the carrier failed to comply with your request. All shipping cartons and inner packing must be retained for carrier inspection. Do not move the damaged merchandise from the receiving location. It must also be retained for the inspection.

REPAIR CHARGES

Reimbursement from Loewenstein for repairs must have prior approval.

RETURNS

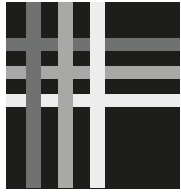

Loewenstein will not accept returned merchandise without a signed Return Authorization (RA) issued by our Customer Service Department. All returned merchandise must be properly packaged and cartoned to prevent further damage. We will consider issuing RAs for the following reasons:

- Manufacturing defect
(must be inspected by an Loewenstein sales representative)
- Loewenstein order processing error
- Shipping error
- Duplicate shipments
- Mismarked cartons

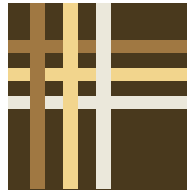

All merchandise must be returned within thirty (30) days of the date of the RA to receive credit. Freight damage, signs of usage, missing parts, etc., will be adjusted on the amount of credit to be issued.

Founded in 1966 by Hank Loewenstein, our company has always strived to be an organization “that cares about our customer, employees and the environment”.

Loewenstein’s philosophy and long term success has been build on the foundation of bringing innovative European design to the North American contract markets; with “proper” scale, comfort and engineering. These design collections have been offered to the interior design community as true multi-purpose furniture, and strong value price points.

Backed by progressive and experienced management, along with a highly skilled factory and support team, Loewenstein consistently delivers on its commitment to quality, service and dependability.
